About Stephanie

I am a Native Texan, a Wife, a Mom, a Friend, a Sister, a Lover of Social Media, a major Shopaholic, a College Station Die Hard and most importantly an Aggie. I love this community and supporting its growth.

About The Dish BCS

Launched in 2015, The Dish BCS was created to be a great source for local Bryan-College Station information including business reviews, events, and local promotions. We discovered that our readers not only wanted the dish on BCS but also the best mommy resources. Whether your new to our area or lived here all your life, The Dish BCS has something for everyone.
